## Criteria for Time-Urgency of a CP Fund Project

The Community Preservation Committee will accept CP Fund project proposals for funding recommendation at a November Town Meeting only if the proposal is clearly time-urgent. The deadline for those proposals is during the preceding April. Time urgency requires at least one of the following:

1. Risk of significant loss of funding
2. Risk to public safety or risk of damage to or loss of a Town asset
3. Unforeseen necessity, uncovered during implementation of a previously funded project, of expansion of the project's scope of work
